## VII. Notices and Agreements

**Any person who knowingly files an application for insurance or a statement of a claim containing any materially false information or conceals, for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime and also punishable by criminal and/or civil penalties in certain jurisdictions.**

I hereby declare that the above statements and particulars, or any statements and particulars made in any and all documents, applications, supplemental pages or other attachments (**hereinafter "Attachments"**) for the purposes of my initial or renewal application, are true and that I have not knowingly suppressed or misstated any material facts and I agree that this application, and any **Attachments**, shall be the basis of the contract with The Medical Protective Company (the "Company"). I agree to notify the Company if there are any future material changes in any answer to this application, or its **Attachments**, including without limitation, any change in my professional specialty, affiliation or working arrangement with any other dentist, physician, firm or professional association.

I understand that any material misrepresentation or omission made by me on this application may act to render any contract of insurance null and void and without effect or provide the Company the right to rescind it. By making this application, I am not relying upon any oral or written representation that coverage has or will be extended to me or that a policy of insurance will be issued.

I further understand and agree that I have no right to demand or expect coverage until the Company has: (1) received my completed application; (2) offered me a premium quote; and (3) received, as a precondition to coverage, the total premium due or, if the Company has agreed to finance the premium, the first installment due. In addition, I understand that if I pay my premium or first installment by check, electronic transfer or money order, it shall not be considered as "received" by the Company until it has been honored by the bank.

I agree that if I fail to comply with these terms I will have no coverage for any claim under any policy of insurance for which I am applying.

I also understand that the Company may wish to contact persons, hospitals, schools, employers, insurance agents, professional liability insurers or other entities to verify and/or ascertain information regarding my credentials and background both prior to and if issued, after the issuance of a contract of insurance. Therefore, I hereby instruct any such person, hospital, school, employer, insurance agent, professional liability insurer or other entity to release to the Company any information regarding me, which the Company, in good faith, believes to be applicable and pertinent to this application and if issued, the contract of insurance issued hereunder.

I warrant that I am authorized to disclose all information that I may submit or which I may authorize others to submit in connection with this application, including authority to disclose such information under federal and state privacy protection statutes and regulations.

By signing this application on behalf of an entity (which may include a professional corporation, a professional association, a limited liability company, a general business corporation, a partnership, a joint venture, or a governmental entity), I warrant that I am an Officer, Partner, Office Administrator or other Authorized Representative of the entity applying for coverage.

**Application must be signed by a President, Chief Executive Office, or other Officer or Partner of a PC or PA or the Office Administrator or equivalent Authorized Representative.**
